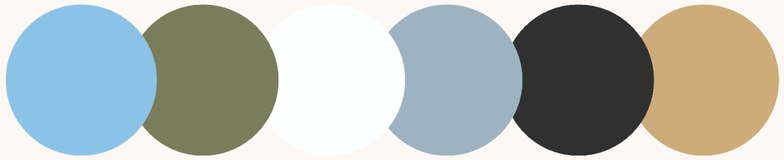
project #2 - Rest & Ritual

HERITAGE-INSPIRED BEDROOM RETREAT

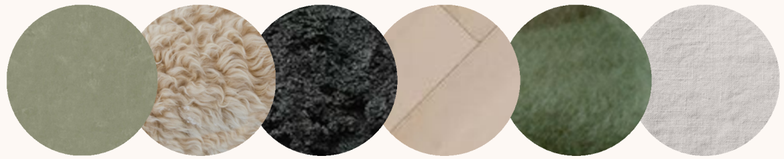
INSPIRED DETAILS ROOTED IN ICELANDIC MATERIAL CULTURE. SOFT TEXTILES, GENTLY CURVED FORMS, AND RESTRAINED ORNAMENTATION CREATE A CALMING ATMOSPHERE WHILE MAINTAINING VISUAL INTEREST. THE LAYOUT PRIORITIZES COMFORT, BALANCE, AND INTENTIONAL NEGATIVE SPACE TO SUPPORT REST, DAILY ROUTINES, AND EMOTIONAL WELL-BEING.

DESIGN QUESTION:
HOW CAN HERITAGE-INSPIRED DETAILS BE INTEGRATED INTO A MODERN BEDROOM TO SUPPORT REST, BALANCE, AND EMOTIONAL WELL-BEING WITHOUT VISUAL EXCESS?



PALETTE STRATEGY

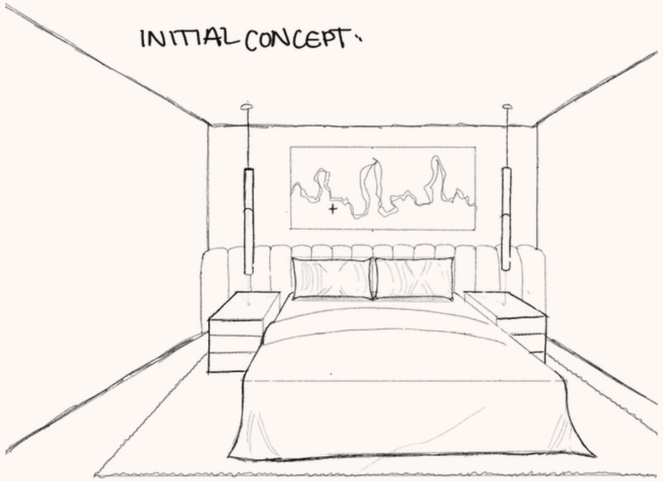
- *A CALM, NATURE-INSPIRED PALETTE DRAWS FROM ICELAND'S ICE, MOSS, STONE, AND SKY. MUTED TONES AND WARM NEUTRALS CREATE A SOFT, RESTFUL ATMOSPHERE.*



MATERIAL & TEXTURE STRATEGY

- *WOOL, LINEN, WOOD, AND VOLCANIC STONE REFERENCE ICELANDIC MATERIAL HERITAGE*
- *MATERIALS ARE LAYERED WITH RESTRAINT TO CREATE WARMTH AND SENSORY CALM*
- *TEXTURE REPLACES ORNAMENT, GROUNDING THE SPACE WITHOUT VISUAL EXCESS*
- *NATURAL FINISHES SUPPORT EMOTIONAL REST AND DAILY RITUAL*

CONCEPTUAL SPACE PLAN - NOT TO SCALE:



SECONDARY VIGNETTE:

DESIGN ELEMENTS:

FEATURE MOMENT: A SHEEPSKIN LOUNGE CHAIR POSITIONED NEAR SOFT, AMBIENT LIGHT CREATES A DEDICATED MOMENT FOR REFLECTION, DRESSING, OR QUIET READING. THIS INTENTIONAL PAUSE SUPPORTS DAILY RITUAL AND REINFORCES THE BEDROOM AS A RESTORATIVE ENVIRONMENT RATHER THAN A PURELY FUNCTIONAL SPACE.

HOW THE SPACE LIVES:

THIS PROJECT EXPLORES HOW HERITAGE-INFORMED MATERIALS AND SPATIAL RESTRAINT CAN ACTIVELY SHAPE DAILY ROUTINES AND EMOTIONAL EXPERIENCE. THE RESULTING BEDROOM PRIORITIZES CALM, BALANCE, AND COMFORT WITHOUT RELYING ON DECORATIVE EXCESS.
